

**Eden Gardens Fundamental Magnet
STUDENT DIRECTORY 2011-2012**

Annually, the Eden Gardens PTA compiles a directory of the students with their addresses, phone numbers, and email addresses. This directory can be used as a reference when needing assistance with assignments, homework, projects, volunteer needs, etc. The STUDENT DIRECTORY will hopefully be available early fall.

We are continuing with our new format for this upcoming school year. It allows for more information to be included in the directory if you choose. **If you did not complete a directory form during the contract renewal process in the spring or your information changed this summer, please complete the following information EVEN IF YOU ARE A RETURNING STUDENT.** Only one form per family is necessary. Because of the volume of students to be included, we cannot contact every family. If we do not receive a returned form by the deadline, your information will not be included in the 2011-2012 directory.

PLEASE NOTE:

1. All information listed on this form will be included in the directory unless you sign the bottom portion of the form requesting your information be omitted.
2. If there are separate parents of a child, please include names/addresses/phones/email addresses of those that want to be listed separately in the directory.
3. PLEASE **SIGN** the appropriate line for approval of the information & **RETURN to your child's teacher BY FRIDAY, AUGUST 26, 2011.**

Thank you,
Karrie Hovis
Directory Chair
