Our Heritage:

Eden Gardens Elementary School became Eden Gardens Fundamental Magnet in June 1981. The philosophy for the fundamental schools was established by the Caddo Parish School Board and has remained the cornerstone upon which the success of the fundamental school concept was built.

Eden Gardens:

While Eden Gardens is one of several magnet schools, the program we offer has been tailored to meet the educational needs of our particular student population. As a school, Eden Gardens will:

- ◇ provide each student with an educationally sound foundation which will be a springboard for further learning and leadership.
- ◇ emphasize an enhanced and student-centered approach to learning and leading.
- ◇ present rigorous curricular requirements in a unique, creative format, while utilizing the most technologically advanced materials and methods available to further challenge our students.
- ◇ be an educational leader in Caddo Parish, remaining on the cutting edge of new and innovative educational pursuits.
- ◇ equip our students with the educational knowledge and leadership skills necessary to be productive citizens in a global, diverse world.

Goals:

As a “Blue Ribbon School of Excellence”, our goals are student centered. We will provide:

- ◇ for the physical, social, emotional and intellectual growth of each child.
- ◇ an educational environment conducive to the development of vital, academic and leadership skills and core subject knowledge, coupled with rigorous learning activities, while maintaining high standards of discipline and conduct.
- ◇ academic skills in a sequential manner using rigorous materials to meet the needs of every student.
- ◇ meaningful homework as a means of reinforcing previously learned skills.
- ◇ letter grades to represent student achievement and grade placement for the next year.
- ◇ the opportunity for students to study and participate in activities relating to patriotism, responsibility, and character.
- ◇ a safe and well maintained facility within which teachers and students may work.
- ◇ technology driven curricular opportunities to prepare students to meet the challenges of an ever-changing global economy.

- If weather is cold, rainy, etc., students who arrive between 7:15 AM and 7:35 AM will go to the auditorium (grades 3-5) or cafeteria (grades K-2). Bus students will be supervised by one of our enrichment teachers.
- At 7:35 AM, all students will report directly to their assigned classroom. They are not to stop off in other classrooms, restrooms, etc. If a stop is necessary, they must report to their assigned classroom first. Failure to do this will result in a minus five being given for not following school rules.

Attendance:

1. State Law mandates a student must attend a minimum of 160 days to be eligible for promotion.
2. When a child is absent, parents are asked to call school with the reason for the child's absence. If a parent does not notify the school, the attendance clerk will contact the parent or guardian to confirm the absence and request an explanation for the absence.
3. An absence is excused only if (1) a parent or doctor note is presented when the student returns to school, (2) there has been a death in the student's immediate family (parent, sibling, grand-parent), (3) the student is celebrating a religious holiday, or (4) the student is participating in approved school activities. A note should be presented within 3 working days of absence.
4. After a student is absent 5 days, a letter generated from Central Office is sent home to parents explaining the attendance policy. Another letter is sent home when a student is absent 8 days and the Caddo Parish Attendance Department is notified. After accumulating 15 unexcused absences, a student will be referred to the parish juvenile authorities for follow-up regarding excessive absences and risk losing enrollment privileges for the next school year.
5. A child who accumulates 30 or more unexcused absences will be considered "truant" and dismissed from Eden Gardens. The Attendance Department will notify the receiving school's principal that the child has repeated or habitual unauthorized absences from school and the Caddo Parish School Board Truancy Policy will be followed.
6. Students who check out before 10:00 AM due to illness will be counted absent for the entire day. When a student checks out sick, the absence for that day only is excused. If the illness causes the student to miss additional days, a doctor's or parent's excuse will be required for these absences to be considered excused.
7. Student assignments will be sent home upon request. However, assignments will not be provided prior to an absence. Rather, assignments will be collected and sent home for completion when the student returns to school or as requested by parents.
8. A request for assignments must be made by 10:00 AM on the day the assignments will be picked up. Requests made after 10:00 AM will not be ready until the next school day. Assignments will be available after 2:30 PM in the school office.
9. Students will be given one day to complete missed school assignments for each day absent (i.e. three days home sick means students will have three days upon their return to school to make up missed assignments).
